Headline:
Isolated showers on Tuesday evening, slowly improving on Wednesday.

This Evening and Tonight:
Some rain and showers continuing into the evening, becoming lighter and drizzly at times. The rain may become intermittent by the end of the night, with some clear spells by dawn. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Rather cloudy with a few residual showers in the morning, mainly in the west, but an improving picture elsewhere, with bright skies and a few sunny spells developing later. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
Largely dry and bright on most days, but a few showers in the afternoon. Mostly clear with a chance of frost overnight. Perhaps cloudier and less cold on Saturday.
